Foundations

Foundations are required and constructed by the Cemetery for all monuments and markers. Unless otherwise noted, the foundation charge for a monument or marker is based upon the surface area of the marker or base of the monument, at the square surface inch charge then in effect. The current foundation charge is **\$1.30** per square surface inch which includes a fee for the Maintenance & Preservation Fund as required by New Jersey State law.

The monument dealer selected by the family must submit the foundation charge to the Cemetery along with the Cemetery's required *Order for Monumental Work – Permit*, prior to ordering the monument or marker. *There is no waiting period to have a monument or marker set on a plot, lot or grave.*

Minimum foundation charge	\$450
Pre-installed foundation for Section-Division F-2, F-3, F-4, K-4	\$450
Child Grave (designated <i>Child</i> sections)	\$300
Youth Grave (designated <i>Youth</i> sections)	\$350

The *Application for Standard Government Headstone or Marker* Items 1 – 18 is to be completed by the next of kin of the deceased Veteran and submitted to the Cemetery for further processing along with the required foundation and installation charge listed below. A copy of the discharge papers should also be included. The Cemetery permits only the flush granite and flush bronze veteran markers.

All Government Markers are set flush at the foot of a Veteran's grave and are not permitted in Sections E-4 Memorial Gardens or B-3 Cremorial Gardens.

Foundation and Installation of Granite Veteran's foot marker	\$450
Foundation and Installation of Bronze Veteran's foot marker	\$475

Removal of existing foundation and reconstruction is based on charges listed above.

The principal amount below is deposited in a commingled trust fund whereby the income is used to maintain the endowment.

December Holiday wreath, approximately 20" with red bow and pine cones \$1,000 per wreath
placed annually in December by a representative of the Cemetery, can be for an entire lot or for an individual grave

Palm Cross \$1,000 per cross
placed annually by a representative of the Cemetery prior to Palm Sunday, can be for an entire lot or for individual graves

Endowments:

Perpetual Care Fee for plots, lots and graves not under perpetual care is \$13.00 per square foot

Minimum Perpetual Care Fee per plot, lot or grave - \$550

Minimum Perpetual Care Fee per Child Grave - \$225 (designated *Child* sections only)

Minimum Perpetual Care Fee per Youth Grave - \$250 (designated *Youth* sections only)

Perpetual Care Fee per entombment or placement of cremains in a private mausoleum building not under perpetual care is \$2,500 (does not include property surrounding mausoleum). This does not constitute full endowment of the building unless otherwise stated in the perpetual care agreement.

Interment of human remains or burial of cremated remains requires perpetual care be paid on at least the portion of the plot, lot or grave being used for said interment and will be calculated by a representative of the Cemetery using the total square footage of the plot, lot or grave divided by the total number of graves in the plot or lot multiplied by the Perpetual Care Fee then in effect multiplied by the total number of graves being used for the interment or burial*. This does not constitute full endowment of the plot, lot or grave unless otherwise stated in the perpetual care agreement.

* If a burial of cremated human remains, infant or child takes place in some portion of a plot, lot or grave, or erecting an individual marker takes place in some portion of a plot, lot or grave not outlined above, e.g., side of monument (where permitted) or odd size portion of the plot, lot or grave, the Perpetual Care Fee will be calculated on the basis of a full size grave as set forth above.
